A Best Friend

A best friend is always there, whether you need advice, or a pep talk, or even a shoulder to cry on. A best friend listens with her heart and is always honest with you, even though the truth may not be what you want to hear. A best friend knows all your secrets, understands your fears shares your dreams. A best friend never stops believing in you even if you give up on yourself. You are that kind of friend to me. And no matter what happens, you always will be. You are my best friend...

MY FRIEND FOREVER.

Our Sister

*For all you were to us in life
And all the joy you brought,
Your memory is with us
In every single thought.*

*The pain we felt at losing you
Will never go away,
But knowing that
You're in our heart
Helps us through each day.*

*When you were here we always felt
That nothing could go wrong,
But you're still our inspiration
And your memory will keep us strong.*

*And though our heart is heavy
It's also full of love,
And that's enough to comfort us
While you're in Heaven above.*

Love Pauly, London, Pree, Jay and KeyKee

I'M FREE

*Don't grieve for me, for now I'm Free
I'm following the path God laid for me.
I took his hand when I heard him call;
I turned my back and left it all.
I could not stay another day,
To laugh, to love, to work and play.
Tasks left undone must stay that way;
I found that place at the close of day.
If my parting has left a void.
Then fill it with remembered joy.
A friendship shared a laugh, a kiss;
Ah yes, these things, I too will miss.
Be not burdened with times of sorrow.
I wish you the sunshine of tomorrow.
My life's been full, I savored much;
Good friends, good time, a loved one's touch.
Perhaps my time seems all to brief;
Don't lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now,
He set me free*
