*Silent Child*

*"My silent child, our precious baby, close to my heart I'll keep you with me. An important job God has for you, there is love to give, and work to do. He needs an angel strong and small—to shine light and give love to all, thus He has chosen you my beloved child."*

## OBITUARY

*Loveya Rayna Ballez "Love" began her short life on July 13<sup>th</sup>, 2018 with her parents, Brandon Banton and Christina Ballez in Toledo Ohio.*

*Loveya was such a pleasant baby; she always had a huge smile, even when she just woke up. At just 4 months she was trying to hold her bottle, put her pacifier back in her mouth when it fell out and was starting to pull herself up when we held her hands. She especially enjoyed it when we would place her in a big laundry basket with pillows in front and back—so she was in somewhat of a semi sitting position, you could see the sparkle in her eyes—she was in heaven. Loveya didn't cry much, only when she did not get her bottle when she demanded it, then she would take her time drinking and stopping on occasion to play and "babble" baby talk.*

*Baby Loveya brought so much joy to our lives in her short time on this earth. We wanted her to stay, but God wanted her more. She was called home to be with her Heavenly Father on 11/21/2018, at her mom's residence, may her soul rest in peace.*

*Loveya's memories will be forever cherished by her dad Brandon and mother Christina of Toledo, OH; Sisters Miyesia Banton, Aurie Moody; Brothers Eli Ballez, Omar Ballez, Danny Ballez, and Carlos Ballez Toledo, OH; Grandmother Claudette Banton Toledo, OH; Elizabeth Ballez Toledo, OH; Grandfather Norman Edwards Toledo, OH; Great Grandma Daphney Toledo, OH; Great Grandma Winifred Toledo, OH ; Special great aunts Norma and Sandra, special cousin Sharon, and host of other aunts, uncles, cousins, other loving relatives and family friends. She will be in our hearts.*
