*We little knew that morning, He was going to call your name.
In life we loved your dearly, In death we do the same.
It broke our hearts to lose you, You did not go alone,
For part of us went with you, the day He called you home.
You left us beautiful memories, Your love is still our guide
And though we cannot see you, You are always by our side.
Our family chain is broken And nothing seems the same
But as He calls us one by one The chain will link again.*
