TO MY DEAR SISTER

I'm blessed to call you sister,
I also call you friend;
You've shared my joys and sorrows,
Through good and stormy weather.
There's something God has given us,
That's more than family;
He's placed a love for you, my Sister,
Deep down in the heart of me.

God looked around his garden and found an empty
place, He then looked down upon the Earth and saw
your tired face. He put his arms around you and
lifted you to rest, With the help of his angels they
flew you to your heavenly place.

Gods garden must be beautiful, he always takes the
best. He knew you were suffering, he knew you
were in pain. He knew that you would never get
well on Earth again.

He saw the road was getting rough and the hills too
hard to climb. He closed your weary eyelids and
whispered "Peace be Thine"

It broke my heart to lose you but you didn't go
alone, For part of me went with you the day God
called you home.

Love, Your Sister

Teresa

FARWELL, DEAR MOTHER

Somewhere in our hearts beneath all our grief and pain, is a
smile we still wear at the sound of your dear name.
The precious word is "MOTHER" she was our world you see,
But now our hearts are broken because she is no longer here
with us. God chose her for his angle to watch us from above,
to guide us and advice us and know that we are still loved.

The day she had to leave us was when her time on earth was
over. God had better plans for her, for this, we surely knew.
Our memories surround her and we can't hold back the tears,
She truly was our best friend, someone we could confide in.

She had a tender touch and warm and gentle grin. We want to
"Thank You" Mother for teaching us so well, and though the
time has come that we must bid you this farewell, We will
always remember all you've done for us.

Thank You Dear Mother for all your love you showed us.
And although you have left this earth, we know God has given
you peace. And we know you will always be in our hearts.

Love, Your Children
